If Israel is a wirepuller of Islamic State, then some points are coherent♪ m(Φ ω Φ)b

(1)Islamic State don't attack Israel♪
(2)Israel don't retaliate on Islamic State♪

As far as I checked, the case Islamic State don't attack Israel was only this♪
Unnatural♪ m(Φ ω Φ)／

Israel has fought against the Islamic world for long time♪
It will be able to say that, Israel is a sworn enemy for Islamic religion♪
Islamic State embrace "Islam" in the name of its country♪
It is a matter of course, that Israel is a TOP of the black list of Islamic State♪
But, Islamic State don't attack Israel♪
Unnatural♪ m(Φ ω Φ)／

(2)Israel don't retaliate on Islamic State♪

Israel is a country which return the sum twice over for retaliation, like Hanzawa Naoki♪

But, I couldn't find the report which Israel retaliated on Islamic State♪ (ーー;)ゞ
Unnatural♪ m(Φωφ)／
Wasn't the case of rockets at Israel in July 3, 2015 just only happened to set up an alibi?

Israel has taken the way which strengthen defense by attack, like Operation Focus in Six-Day War and Operation Opera♪
But, Israel has not taken the way which strengthen defense by attack against Islamic State which seems worse than Iraq of Saddam Hussein♪

So…, I suspect as follow♪ m(Φ ω Φ)／

Isn't Israel a wirepuller of Islamic State?

I see! ヽ(´ー`)ノ
Islamic State suit Israel♪ (￣q￣)ダラー

It is conceivable that, If Israel is a wirepuller of Islamic State, then Islamic State is a FRONT of Israel♪
If Islamic State is a FRONT of Israel, then it suits Israel♪
For example,
(1)It can hurt the image of Islamic religion♪
(2)It can direct the fight among Islamic world♪
(3)It can manipulate Muslims♪

Islamic State commit many atrocities♪
If a country embrace "Islam" in the name of its country commit atrocities, then the image of Islamic religion must be hurt♪
It suits Israel♪

(2)It can direct the fight among the Islamic world♪
>Mitsuhiro Mr. Sera military journalist but was in part also Muslims have a sense of sympathy to Islamic extremists to "This, with the advent of the Islamic countries, such sympathizers as well away. If the Islamic world go to war with a country embrace "Islam" in the name of its country, then it is able to direct the infighting of the Islamic world♪
It suits Israel♪

(3)It can manipulate Muslims♪
It is easy to guess, that If a country embrace "Islam" in the name of its country go to war against Western countries, then the Muslim who want join the war will appear♪

Though, it seems difficult that Israel follow Muslims …,
but, It seems possible that a country embrace "Islam" in the name of its country follow Muslims♪

So,
If a country embrace "Islam" in the name of its country make a FRONT of Israel, then Israel can manipulate Muslims♪
It suits Israel♪

In passing …, this is called INDIRECT RULE♪ ヽ(´ー｀)ノ
